

## How Does Your Garden Grow? Supply List:

### THREADS:

Crewel Wool: Please feel free to choose your own colors if you wish. You will need three shades of each color. I recommend choosing shades two numbers apart as some shades are very close. I will list what I used in my sample. Review the color photograph for color placement.

Main color: Purple 102,103,105

Accent Color: Bright Terra Cotta 222, 224, 226

Green: Sea Green 401, 403, 405

Gold: Honeysuckle Yellow 693,694,695

FABRIC: Linen Twill: One piece measuring 12 inches high by 15 inches wide in white linen (or you may use natural if you wish) plus additional fabric for practice

A selection of chenille needles (size 22 or 24), crewel or embroidery needles (sizes 4-9), and tapestry needles (size 22 or 24).

A Needle Threader, optional

One piece of graphite carbon paper OR a light box and #3 hard pencil to transfer the design. For a permanent line, you may opt for a Micron fine tip pen in sepia or gray.

Small sharp embroidery scissors

Adjustable hoop, Embroidery hoops come in a variety of sizes and styles. I prefer a wooden hoop with a slotted screw adjustment in a size four to six inches in diameter. I wrap both rings of the hoop in white cotton twill tape to protect my fabric and embroidery. The screw adjustment has a slot and will allow you to tighten the hoop with a small screw driver for the best fit.
