

*The* EMBROIDERERS' GUILD *of* AMERICA

Belonging to EGA enables you to receive the quarterly publications, *Needle Arts* and *Inside EGA*, to participate in educational programs and seminars, and to share your love of needlework with others. In addition to these benefits, your membership helps to foster the highest standards of excellence in embroidery *and* to preserve and promote this art that we all enjoy so much.

It is easy to join or renew your membership. You can return the form below with your dues payment; you can renew by phone; or you can submit a secure credit card payment online by clicking the "Join Us" button at [egausa.org](http://egausa.org).

Our lives are enriched by creating useful and beautiful works of art. We appreciate your support and look forward to stitching with you. Please feel free to contact me with any questions by email at [typarks@egausa.org](mailto:typarks@egausa.org) or telephone at (502)589-6956.

Sincerely,

Tonya Parks
