IMPORTANT: When purchasing materials keep in mind that overdyed threads and fabric can vary a great deal from dye lot to dye lot. If you are mail ordering supplies, be prepared to make changes in your palette if the colors are not as expected.

IMPORTANT: Also note that Soie Cristale and Waterlilies come in twelve-ply skeins that are six yards in length. If using another brand, be sure to take this into account and purchase enough thread. The entire skein was needed for the Waterlilies. One half skein was needed for each of the Soie Cristale colors.
