JOIN US FOR A NEW EGA VIRTUAL EXHIBIT EXPERIENCE

Explore your heritage through embroidery. How does your ancestry and culture influence your needlework today? Start working on your design. Explain the connection in your artist statement submitted with each piece. It is through the needle's eye that EGA embraces both traditional and contemporary needlework while expanding the perception of embroidery as an art form.

As the world changes, so does the TNE exhibit. For the first time, the exhibit will be a virtual experience. Everyone will have easy access to see the creative, thought-provoking, and stunning original or adaptation pieces worked by our members. A physical exhibit will also be held at EGA HQ, coinciding with Seminar 2023.
