

ITT Tour: Jane Nicholas - September 5-6, 2022

We are very fortunate and excited that we have been selected as one of the stops on the 2022 International Teacher Tour! *Jane Nicholas from Australia*, will teach a two-day Stumpwork and Surface embroidery class called "**Corncockle and Dragonfly**" on **September 5 – 6, 2022**. This class will be held in Rock Hill at the Fairfield Inn immediately following the CAR Fall Retreat.

Corncockle and Dragonfly – 2 day class

*This small stumpwork panel was inspired by an illuminated page of a medieval manuscript. Worked on ivory satin, this design features the Corncockle, *Agrostemma githago*, a summer-flowering wildflower, with detached reddish-purple petals and long leafy sepals worked with wire and needle weaving. The panel also contains a broad-bodied dragonfly, *Libellula quadrimaculata*, with detached gauzy wings and a padded leather abdomen, a shiny blue beetle and a tiny red ladybird, both with raised detached wings. The botanical name may be embroidered at the base of this specimen.*
