Rikrack Embroidery Elephant PDF Design

Rikrack Embroidery Elephant PDF Design

Rikrack Embroidery Elephant PDF Design

You can find lots of help at rikrack.com. Including stitch guides and how to finish the back.

This design is sized for a 6 inch hoop.

I use three strands of DMC embroidery floss.

I used: a size 24 chenille needle

Essex linen by robert Kaufman, I also like linen from Magic Linen

If you use light colored or fabric that is not a tight weave you can add a second layer of fabric for stability and opacity.

I encourage you to try out different stiches and colors..

You can fill in different areas or add more outlines to shapes.

I like to do the white outline first and the yellow back stich outline before the Daisy Stitches.
