

## List of supplies needed for Trevelyon's Needlebook class

**1.) 1 piece of linen 12" x 8":** a tightly woven linen 45 count or high OR linen twill. I recommend a creamy white rather than a bright white or an ivory. It will set off the colors best.

**2.) DMC threads:**

321- Red

3865 - White

728 - Yellow

986 - Dark green

368 - Medium green

772 - Light green

3838 - Blue

**3.) Lining fabric of your choice 12" x 8":** I used a very tiny blue and white check but any cotton fabric with a very small print/pattern/check will work nicely.

**4.) White felt 6" x 8" :** this piece is to line the needlebook. It will put layered between the embroidered fabric and the lining fabric.

**5.) White felt OR flannel 12" x 8"** this is to make the pages of the needle book.

**6.) White sewing thread**

**7.) Pattern of design:** pattern will be supplied as part of the class.
