

## Renewal of Annual EGA Dues

### What Chapter Members, Life Members, and Members at-Large Should Know

- Kick off for the annual renewal of current EGA members will be **April 1, 2024**. **Please do not renew your membership prior to April 1 as it may not be processed correctly.** Although you may renew as early as 4/1 your annual renewal date will remain as 5/31. Renewal reminders will be sent to all members.
- Chapter members and members at-large will go to <https://egausa.org> to renew their membership. Payment of dues may be made by credit card, Apple Pay or Google Pay.
- If you are a current life member you will pay your chapter and region dues directly to your chapter. You do not need to make any online payment to EGA. We will be working to be able to have life members also renew online in our next phase.
- If you are a plural member, after paying your dues to your primary chapter online, you will pay the chapter and applicable region dues directly to each chapter where you have a plural membership.
- If you are unable to renew and pay online you may request a form to renew and pay by mail. This is not the preferred way to renew, but we do understand this may be the only option for certain members.
- You can find more information about renewals in the [Join Us](#) page of [egausa.org](https://egausa.org) and view the FAQs for dues renewal [here](#).

For assistance and answers to questions email [egahq@egausa.org](mailto:egahq@egausa.org) or call 502-589-6956.
