

Renewal of Annual EGA Dues

What Region Membership Chairs and Treasurers Should Know

- Kick off for the annual renewal of current EGA members will be **April 1, 2024**.
- Members should go online to renew their membership. Payment of dues can be made by credit card, Apple Pay, Google Pay and Paypal.
- There is no longer any prorating on these dues at the national level. The end of the month in which they join will be their renewal date. The one exception will be current members renewing in April will still hold 5/31 as their renewal date.
- Regions will be receiving electronic payments from headquarters as dues are paid by members. The exact timing of these reports and payments is still being determined. This is a new process and we want to be sure we set up the best system possible to get you information and payment in a timely manner. You will receive more detail on this prior to April 1.
- Regions will also be receiving checks from chapters for any region dues owed by life members and plural members.
- Direct members to the [Join Us](#) page of egausa.org to read more about electronic payment dues and view the FAQs for dues renewal [here](#).

For assistance and answers to questions email egahq@egausa.org or call 502-589-6956.

Sent to EGA Region Membership Chairs and
Treasurers by email on February 1, 2024
**Updated to include Paypal as a payment option.*
