

EGA Facilities Use Policy

A one-time facilities use fee of $357 applies to a nonparticipant or any person registering for two or more days of classes but not staying at the Loews Ventana Canyon Resort, 700 Resort Drive, Tucson AZ 85750, for at least one night, or to anyone staying at the Loews Ventana Canyon Resort with a room rate other than the EGA-negotiated rate, or persons booking their room using hotel or credit card reward points, as their stay will not be considered part of the seminar room block which contributes toward payment of event and classroom space. If there are exceptions necessary, they need to be approved by the NSC director, or deputy director acting on behalf of the director.
