Class Size: 22 students

Discover the joy of creating a whimsical Sad Hedgehog ornament in this engaging goldwork embroidery class! Participants will learn the entire process, from tracing the pattern to the final stitches. The instructor will guide students step by step, including sharing techniques for embroidering the face, allowing students to personalize their hedgehog's expression—it doesn't have to be sad! Expect a creative and fun atmosphere as we explore different possibilities for unique hedgehogs.

This class is beginner-friendly and perfect for those new to goldwork or stumpwork techniques. Some prior embroidery experience is recommended, but no previous knowledge of goldwork is required. By the end of the session, students will have the skills and confidence to embroider their hedgehogs, or other animals, and apply the techniques to future projects.

This class **WILL NOT** be recorded. Should a student need to cancel, they are still responsible for the costs, unless a waiting list exists and the spot can be filled from that.
