

Individual Appraisal of Fine Arts

EGA'S INSURANCE contains a Fine Arts Floater that is designed to protect needlework pieces owned by or in the care, custody, or control of EGA, its regions, or its chapters. Pieces owned by individual members are covered while on exhibit or being transported to exhibits or shows by chapter, region, or the national organization. While a piece remains in the owner's home or is being transported by its owner (shipment to exhibit.), it is not covered by EGA insurance. The coverage limit is \$250,000 total loss with a \$10,000 per item limit. A \$250 deductible applies to each occurrence. This means \$250 will be deducted from the stated value prior to payment for the loss. You are responsible for coverage of this amount.

In order to be covered it is necessary to fill out and sign the following form or include an appraisal by a qualified third party. **If you wish to be covered**, fill out this section of the form, one for each piece, sign it, and return it to the National Education Chairman. For waiver of insurance, complete and sign the lower section instead of this section.
