Re: Nutmeg May 9 Stitching Event in conjunction with Bush Holley Museum

Hello All,

As President of the Nutmeg Stitchers Chapter of the Metropolitan Region Embroiderers' Guild of America, I am delighted to announce a new and innovative program. On **May 9, 2026**, in partnership with the **Bush-Holley Museum in Greenwich, CT**, we will be hosting a **Community Stitching Day**—a welcoming event where needleworkers of all types can gather, stitch, and enjoy one another's company. The attached flyer sets forth the date, time and address of the museum.

You are welcome to join us for an hour or stay for the full four hours. Bring your cross-stitch, embroidery, needlepoint, crochet, knitting, spinning, candlewicking, or any other needlework you would like to share.

As part of the program, we are seeking a few volunteers who would be willing to speak with visitors about needlework. Volunteering is entirely optional; all are welcome to participate regardless. We will also offer a **"make it and take it"** project for new stitchers.

Two vendors will be on-site offering cross stitch, embroidery, and needlepoint supplies.

Please see the attached flyer and sign up to stitch with us. A portable, battery-powered light will be required.

I hope to see you there.

Yours in stitching and needlework,

Linda F. Fedrizzi

CALLING ALL STITCHERS!

 Help Bring History to Life 

Community Stitching Day at Bush-Holley House

Stitchers of all kinds and all levels are invited to join us for a hands-on day of creativity, connection, and community in celebration of America's 250th Birthday! Embroiders, cross-stitchers, knitters, crocheters, loomers, weavers, appliquers, quilters, needlers of all kinds... WE WANT YOU!

Join us for a **Community Stitching Day** at the historic Bush-Holley House. Spend the day stitching alongside fellow needle enthusiasts as we celebrate craftsmanship, history, and community spirit. No pressure, no perfection—just shared skills, good conversation, and needlework camaraderie.
