

Supply List for Autumn Cushion

The following is required for this project:

- 28 count Cashel Linen
 - For the pin cushion - 6 X 11 inches This will give approximately a 1.5 inch border around the panels and a 2 inch space between them
 - Optional: another piece for a doodle cloth

***You can use an evenweave instead of linen if you wish. All instructions and measurements are based on the use of 28 count linen.

- DMC Pearl Cotton #8 - this is for the outline and assembly of the pin cushion.
- Cotton Floss for the Blackwork. Since we are using Back stitch, you can use a variegated thread if you wish.
- Pearl Bead or Button for center of the pin cushion - you will need 2. The pearl bead should be approximately $\frac{1}{4}$ of an inch in diameter. You can choose something else for the center if you wish
- Seed Beads - two for anchoring pearl beads in the center of the pin cushion.
- Stuffing for the pin cushion
- Cording or Seed Beads for the finishing of the pin cushion - your choice
- Needles - Size 24, 26 and beading needle

My example used the following:

- 28 Count Cashel Linen - Cream
- DMC Pearl Cotton #8 - ecru
- Gentle Art Shaker Thread - Fragrant Cloves
- Mill Hill Seed Beads - Mill Hill 2034 - use for the center and around the outside of the pin cushion
- Pearl Beads - $\frac{1}{4}$ inch in diameter
