Application for Pilot Stitching/Editing Prospective Individual or Group Correspondence Courses

As a pilot stitcher, you will work the project of a proposed ICC or GCC from a draft text and, in the process, proof and edit the text. Your costs are the materials to work the project and the postage to send it to the teacher. By completing this form, you are also agreeing to not make copies of the course instructions and any accompanying photographs. Please complete all information requested. Send your completed application to education@egausa.org
