

2018 FIBER FORUM JURYING PROCEDURE

Fiber Forum promotes original embroidery for exhibition, and working at a professional level. An annual jurying is held for EGA members who wish to join Fiber Forum; for Fiber Forum members who have to resubmit work at the end of three years; or who wish to have current work critiqued. Two jurors are selected each year to review and score the entries submitted. If your work attains a passing score, you are eligible to become a member of Fiber Forum (\$25 per year). You may submit digital images of one or two works only. Top-quality images are essential, and the use of professional photographers is recommended. The jurying fee is \$30 whether one or two entries are submitted. Everyone completes a submission form for each entry and sends the form(s) with the jurying fee paid by a check made out to Fiber Forum EGA. You have a choice of sending the images and artist statements on one disk or via email as attachments.

Guidelines for submission:

1. **The submitted work must be an original, non-teaching piece completed within the previous three years.** EGA's definition of original is "one which from the beginning is solely the creative product of the stitcher." Original work begun in a classroom situation but developed to a finished artwork can be submitted. A piece previously juried but not accepted may be re-submitted once within the time limit. A piece previously juried-in may not be re-submitted.
2. **Each submission requires an entry form and TWO images, one overall and one detail** of the work. For three-dimensional work, large size artwork, and work done as a series, three images may be submitted. Images on the CD should be in jpeg (JPG) format and between 1.5 and 6 Megabytes in size. Please title the images and indicate which view is the detail (e.g. GardenViews_detail.jpg). Using a permanent marker (no paper labels), label the disk with '2018 FF Jurying', your name and email address. Disks WILL NOT BE RETURNED.
3. **An artist statement about each piece, limited to 75 words, is required.** Please load this onto the CD as a Microsoft Word document with the same title as the jpeg image of the artwork. (e.g. Garden Views.doc.) or send via email as an attachment along with the images.
4. **Mail the entry form(s) with \$30 check made out to Fiber Forum EGA** to: Karen Schueler, FF Jurying Co-Chair, 35 Darien Rd, Newark, DE 19711.
Please choose one of the following ways to submit your images and artist statements:
 - Mail the CD with images and artist statements along with the payment to the above address.or
 - Send the jpeg images and the artist statement(s) as attachments via email to: kschuelr@udel.edu with '2018 FF Jurying' as the subject of the email. Identify the source of the email by including your name in the letter.
5. **Entries must be postmarked between March 1 and March 15, 2018.** Entries outside these dates will not be accepted. Entrants will be contacted if payment or images and statement are not received by the deadline or if the entry form is incomplete. (Please check your CD to make sure the files can be opened). If the submitter returns the completed materials prior to the submission deadline, the entry will be considered for jurying. Please allow at least two months to receive the results of jurying.
