The Embroiderers' Guild of America
1205 East Washington Street, Suite 117 Louisville, KY

Thank you for your interest in joining **EGA**. Youth membership is open to 7 – 17 years old.

Youth who join EGA have opportunities to develop embroidery skills that include learning basic and complex stitches and different needlework techniques.

You may join as a youth member directly to EGA or through a chapter. Annual dues are $15.

As a youth member through national EGA or through a chapter, you would receive newsletters. Each newsletter would include at least one free project. You could participate in one correspondence course or individual study at the regular registration fee rate.

Your parent or guardian must complete a Parental Consent Form. Its official title is The Informed Consent, Permission to Participate, and Release of Liability Form.

If you join as a youth member through a chapter, you may attend the local chapter meetings and functions. However, you will need to be accompanied by a parent or legal guardian.

Use this form if you want to be a youth member by paying dues directly to EGA.
If you want to join a chapter as a youth member, submit your dues to the local chapter.

Please feel free to contact me with any questions by email at typarks@egausa.org or telephone at (502) 589-6956

Sincerely,

Tonya Parks
Membership Coordinator
